MANY MEN TO WORK

Thirty-Five Names Handed in Today For Good Roads' Day

Thirty-five names were added to the list of volunteers for road work on May 26 when Good Roads' Day will be observed. This added to the 41 published on Friday makes a total of 76 citizens who will donate their services. If they cannot go themselves, they will send a man to do their share of the work.

Contests are being worked up. For instance R. H. Rush, cashier of the First National bank has promised to shovel as much dirt as Wylie McCarty will pick, and J. C. McKean has promised to shovel as much dirt as Dr. Edwin McKay and Dr. H. J. Repman together will pick.

Several teams have already been promised for the work and more will be added to the list. Men in all walks of life are wearing the white ribbons printed in black with the words, "I work for good roads May 26."

Names added to the list today are: Dr. J. K. Smith, J. D. Berryman, Hugh E. Fergus, Esq., H. S. Pierson, Dr. J. W. Hunter, S. K. Leonard, J. R. Blythe, Dr. H. H. Hill, F. P. McCloskey, George S. Micht, H. E. Fuller, William Zellars, Dr. E. H. Garbisch, Louis Rosenbloom, W. H. PREPARING FOR LEAGUE OPENER

This afternoon the Charleroi baseball club under Manager Hank O'Day and St. Jerome's Lyceum team are playing at the ball park. Tomorrow afternoon the Monongahela Independents will play here, the game to begin at 4 o'clock.

This morning the team had a work out. While they were busy in this respect the work of fixing up the playing field continued. By the time for the opening of the league season in Charleroi the entire field should be in the finest kind of shape.

After tomorrow President Wreath will begin preparations for the opening date in Charleroi, which it is proposed to make an auspicious event. McKeesport will play the first game on May 22. Charleroi will open the season at McKeesport next Wednesday. It used to be that Uniontown was the hardest rival with which Charleroi had to contend, but the order will be changed this year, and McKeesport will be the real rivals.

Accused As Black Hand

Monongahela Man Sent to Jail to Await Trial on Serious Charge

For sending an alleged Blackhand letter in an effort to blackmail C. Barbero of Monongahela, Carmine Tedesco, an Italian who lately has been making his home at Monongahela, has been arrested and sent to jail in default of bail in \$2,000 to await a hearing. It is charged that Tedesco, who has figured in other scrapes and who is said to be out of prison on parole at the present time wrote a letter to Barbero, demanding that a certain sum of money be left at a certain place. The matter was turned over to the police.

COUNTY MEET NEXT SATURDAY

High School Athletes of County Prepare for Con- tests at Washington

Washington county teams will have large representation in the championship field and track games for Western Pennsylvania preparatory schools at Washington under W. & J.'s auspices Saturday. Washington High with seven, East Washington High with five, Canonsburg High with five and Charleroi High with six, comprise the county entrants.

With Shadyside Academy's list missing, 113 preparatory school athletes representing 14 of the leading schools in Western Pennsylvania, are entered in the meet. Shadyside has entered a full team, but its list of entries has miscarried. It is expected here at any time and will increase the list to about 125.

The following schools, aside from Shadyside with their number of entries will compete: McKeesport High 6, Pittsburgh South High 17, New Brighton High 8, Kiskiminetas 9, Wilkensburg High 14, Beaver Falls High 4, Canonsburg High 5, Charleroi High 6, East Washington High 5, Sewickley High 3, Washington High 7, Pittsburgh Central High 12, East Liberty Academy of Pittsburgh 3, Pittsburgh Peabody High 14.

The number of competing teams is the largest in years. Several schools being entered who never before had representation here. Some of the events show unusually large entry lists, indicating numerous trial heats.

Fifty-one men representing nine teams are entered in the relay. Shadyside is also expected to have a relay team making 10 teams in this race. Instead of a team cup, W. & J. has arranged to give individual medals—gold, silver and bronze—to the four runners on first, second and third teams respectively, adding to the attractiveness of the competition.

Outside the relay the largest entry list is shown in the 220-yard dash where 28 men will compete. The number of entries in the other events follow: 100-yard dash 19, 440-yard dash 27, 220-yard hurdles 18, running broad jump 17, half-mile run 17, mile run 18, 12-pound shot put 16, 120-yard hurdles 10, running high jump 16, pole vault 10, throwing 12-pound hammer 11, throwing the discus 19.

ALL GET BALLOTS

Some Voters, However, Will Have to Vote Only Non-Partisan

Directions for voters in regard to the nonpartisan judicial ballot at the primary next Tuesday are given by George P. Thorn, chief clerk to the secretary of the commonwealth in a statement issued at the capitol at Harrisburg. Mr. Thorn says:

"Every qualified voter, whether enrolled under a party name or not is entitled to receive and vote a nonpartisan primary ballot.

"For each judicial office on the nonpartisan ballot this year, that is, justice of the Supreme Court and judge of the Superior Court, each voter is entitled to vote for one candidate only. The names of the two candidates for each office, receiving the highest number of votes will be printed on the official non-partisan section of the November election ballot. At that election, also, each voter may vote for but one candidate for each judicial office.

"It is the duty of election officers to see that each voter receives a nonpartisan ballot at the time he receives his party ballot."

Arrangements are being made for a Holy Name rally that will be held at St. Jerome's Lyceum rooms next Sunday afternoon at 2 o'clock. At this time Holy Name societies and Catholic churches in the Monongahela valley district, including Fayette City, Coal Centre, Brownsville, Monessen, Donora, Elizabeth and Charleroi will be represented.

The meeting will begin with the benediction by Rev. W. D. Fries, pastor of St. Jerome's church. John B. Sullivan of Pittsburg, newly elected president of the diocesan union will preside. Speakers will include John A. Martin, Thomas L. Kane, Peter J. McArdle, Joseph A. Beck and William H. Lacey, all of Pittsburg.

The purpose of the meeting will be to arouse interest in the work of the Holy name societies and to lay plans for participation in the annual Holy Name society parade in Pittsburg. No date has been set for the parade, but it will be announced later by Bishop J. Regis Canevin.

PROUD OF PLACE OF HIS NATIVITY

Funeral services will be held tonight at 7:30 o'clock at the home of J. P. Bosson on 712 McKean avenue for Henry Bosson who died on Wednesday morning. Services will be conducted by Rev. J. E. Charles, pastor of the French Presbyterian church and Rev. F. A. Richards, pastor of the Methodist Episcopal church. The choir of the Methodist Episcopal church will have charge of the musical part of the service. Tomorrow morning the body will be taken to Coraopolis for interment. In Charleroi the pallbearers will be W. S. James, Herman A. Heupel, E. J. Charles, W. D. Pollock, Herman Lang and Jules Garney.

Mr. Bosson was a man of a very patriotic spirit who was proud of the country in which he was born. His birthplace was Monthey, Switzerland. He came to Canada in 1881 and has lived in Canada or United States ever since. Monthey, his birthplace is one of the most picturesque spots of the world. It is located near the famed Lake Geneva at the foot of the Alps. That his birthplace was in Switzerland was a fact that Mr. Bosson never forgot to mention in talking of affairs.

He was an expert glass man who during his lifetime traveled extensively throughout Germany, France, Switzerland and Italy in Europe and in Canada and the United States. He was married at Marseilles, France, his bride being a young woman born in that city.

Mr. Bosson was known internationally as an expert glass worker and it was in recognition of this fact that he received a fine offer to work for a glass plant in Italy that won a gold medal in the manufacture of a certain glass ware. Other offers came during his lifetime from similar recognition.

ASK WORK BY COUNTY

Road Boomers From Monongahela Valley Visit Commissioners

In the interests of the proposed improvement of the Taylor's Run road in Fallowfield and Carroll townships, a delegation from Charleroi, Monongahela, Ellsworth, Fallowfield and Carroll townships presented the matter to county commissioners Thursday. The stretch desired to be improved is a cross road about three miles in length, to connect the Maple Creek improved road, running out of Charleroi, west toward Bentleyville and Ellsworth. It is an important highway and much traveled. The gentlemen before the commissioners were very desirous that some action be taken toward the improvement of this road. It is one of the important roads of this section of the county.

Professor E. E. Bach, superintendent of sociological work for the Ellsworth Collieries Co., and J. W. Huges, chief clerk, as an argument for this road showed that the Ellsworth Collieries Co., paid \$40,000 in tax and that of this amount \$9,200 was for road tax and that they had no improved road to any place of importance. It was shown that this road, if improved, would give an outlet to many important centers in that community. It would also give an improved road from Charleroi toward Pittsburg.

The visitors went to Washington automobiles and on the back of each car, on the return trip was a banner announcing the coming road day on May 26. J. J. Hott and Keeford Daly told Washington people that Charleroi was thoroughly aroused over the good roads day movement.

PARCEL POST MEANS WIDENING OF DOORS

The growth of the parcel post service is compelling the railroads to assume an additional expense to the extent of widening the sideloads of cars in which such shipments are handled. Until the extension of the system the railroads loaded the mail matter through small doors which provided ample space for the mail clerks to assort letters. The railroads contend that the expense incident to this change in the design of equipment will total a large sum for the expenditure of which they will receive no additional revenue.

In order to insure accuracy in the weight of its freight car equipment a general order has been issued by the Baltimore and Ohio which provides for the reweighing of equipment at regular intervals. Cars from which the figures of weight and capacity have become effaced will be reweighed and restenciled at once, and the regulations provide that cars in regular service shall be reweighed at regular times. Wooden and steel underframe cars will be placed on the scales once every 12 months during the first two years in service, after which they will be reweighed every two years. All steel cars will be reweighed and restenciled every three years.

A CONTINUOUS GRAND JURY

We very heartily approve of the action of the May grand jury in asking to be continued as a grand jury at least until July 1, says the Washington Reporter. This action shows a commendable spirit on the part of the men forming the grand jury and indicates that these men realize that the duties of a grand jury may include something more than merely sitting in the court house and hearing a certain amount of testimony in regard to various cases brought by the district attorney.

This grand jury in taking the action it did had in mind particularly the approaching primaries and the possibilities for illegalities at those primaries.

By remaining in existence this grand jury will be in position to work promptly in case any irregularities should be charged at the primaries or any illegalities crop up in the expense accounts filed by candidates. The continuance of the grand jury as an active body should most certainly exercise a restraining influence upon those who may contemplate evil at the primaries.

Too often grand juries get the notion that they are bodies intended merely to listen to certain evidence in certain somewhat routine cases, bodies to visit the County and the Children's homes and possibly make recommendations as to county roads. The grand jury is much more than that and it may become a much greater force for good and for law enforcement if its members but realize their powers and opportunities.

Of course it is to be hoped that nothing will occur making necessary the recalling into session of the May grand jury. But at the same time it is just as well to be ready for whatever eventualities may come and be ready to do something definite and do it promptly.

OLD PEOPLE GAIN. Strength by Taking Vinol. Here is Proof.

So many cases like this are constantly coming to our attention that we publish it for the benefit of others.—Mr. John Widmayer of Jackson, Mich., says: "I am nearly 70 years of age and was in a feeble condition but Vinol has done wonders for me. It is the best medicine to create strength I have ever seen and I have taken a good many of them: Last spring I was run down and worn out but I took Vinol and soon regained my strength. Vinol is certainly an invigorating tonic for old people."

It is the medicinal curative elements of the cod livers without oil aided by the blood-building and strength-creating properties of tonic iron which are contained in Vinol that makes it so efficient in such cases.

If you have an aged father, mother or anyone in your family who needs a strength-creating tonic, try Vinol on our offer to give back your money if it fails to benefit. Piper Bros., Druggists, Charleroi, Pa.

If a bill introduced in the national house of representatives by Representative W. D. B. Ainey of Pennsylvania, goes through, allowances to the rural mail carriers of the country to meet the cost of the upkeep of their equipment will be granted. WHICH PARTY SHALL SURVIVE?

In a previous publication the William M. Brown Campaign committee called attention of Republican voters to the inconsistency of Dr. Temple in seeking the nomination for congress on the Republican ticket, while at the same time he is opposing the party and its policies.

Ordinarily we would not attack an opposing candidate at a primary election, but would rely on the many superior qualifications of the candidate we favor, Hon. Wm. M. Brown, to secure for him the nomination.

However, when an enemy of the party seeks the nomination, not for the purpose of representing the party and its policy, but for the purpose of being in a better position to destroy the party, we deem it the duty of every loyal Republican to expose the plot, and that is what we are proposing to do.

The Democratic party is now in power and have enacted legislation causing business depression and throwing thousands of men out of employment.

They can only be deposed from power and the country put on a firm and stable business basis by the success of the Republican party.

The leaders of the Washington party of whom Dr. Temple is one, believe and have so stated in public speeches, that the hope of the country depends on the success of that party and the defeat of both the other parties.

Either the Republican or the Washington party will fall by the wayside. Both cannot survive.

Dr. Temple is pledged to destroy the Republican party, and supplant it with the Washington party.

He is asking Republicans to help him destroy that party, which they believe is the hope of the nation.

It is surprising that a man with the education and standing of Dr. Temple, would place himself in such a position.

It raises a serious doubt in the minds of men as to his honesty of purpose.

The safe thing for Republicans to do is to nominate a tried and true Republican, and in Hon. William M. Brown they can find no better example.

McCORMICK

A Friend of Labor
When Not a Can-

didate and a Man Who Puts Money—Not
Promises—Into the Pockets of His Em-
ployes

Secretary of Labor Wilson says he has personally investigated the labor record of Vance C. McCormick as a public official and a private citizen and finds it all right; that McCormick stood for the program of Progressive Democracy which included the demands of labor at a time when he had no expectation of being a candidate for office and that he hopes the wage workers will not be deceived by unfair and misleading statements.

Wilson also says that in a private establishment—The Patriot—McCormick pays his men "higher wages than the Union rate calls for."

At Reading, May 10, delegates from 13 counties to a convention of the Eastern Pennsylvania District, International Typographical Union, unanimously adopted resolutions resenting and declaring false statements that The Patriot is a non-union shop. They say none but Union men are employed by The Patriot.

A man who has been fair to Labor when not a candidate can be trusted to be fair if nominated and elected Governor—and Labor wins if it helps to
